NOTICE:

Until further notice, the 147.015 (+) repeater in Newbury, OH will be put in guard. The PL will be 110.9 as usual for this area. This change has become necessary due to the problems the repeater has been experiencing lately. If the problem ceases then the repeater will be returned to the open status. We are sorry this step must be taken but until the situation is over we have no choice. The guard will be removed for all nets.

Ed. Reilly, W8OKE
